

# Personal Advocacy Planner: Your Network Connections

Each year STF provides opportunities to reach out to your personal and school networks to advocate for human rights. To help us maximize our efforts, explore your networks and write down the **names** of people you can contact **personally** (not just on Facebook). Don't forget to include people who live out-of-state! This exercise is basic to advocacy planning.

## 1. Family (Total = )

Name

When and How to Contact

- 
- 
- 
- 
-
