

REPLY NEEDED: Genocide Awareness on Campus

Dear STF Leaders and Teacher Advisors,

As April Genocide Awareness and Prevention Month approaches, we need a better understanding of how, if at all, genocide is discussed on your campus. Please discuss the following questions with your chapter members:

1. Does your school officially observe Genocide Awareness and Prevention Month?
 - Yes ___ How _____
 - No ___
2. Do any teachers or classrooms devote class time to study genocide?
 - Yes, who and how? _____
 - No ___
3. Do any student groups organize genocide awareness activities during April?
 - Yes, what and when? _____
 - No ___
4. If there is no observance of April Genocide Awareness and Prevention, please answer why and if there is interest in developing genocide awareness?

Your STF intern will forward this information to the STF team. Thanks for your assistance in gathering this information about genocide awareness at your school.

Look forward to hearing from you,
STF Team, Pam, Nancy, Kristin, Mackenzie, Susie, Kristin, Ripsime, Natalie, Yvonne and Dan
