

# My Pledge to the Next Generation...

## A VOTING PLEDGE

**I PLEDGE** to vote in the 2022 midterm elections with the future of our planet in mind.

**BECAUSE** all people have the right to a healthy environment. That right is most at risk for today's young people who are not yet eligible to vote.

---

**Because I care about the future of our planet and its people,  
I pledge to vote and advocate with its future in mind.**

Who will I ask if they have a plan to vote on November 8?	When and where will I speak with this person?	Completed	Result? Did I help them figure out their polling place?
